Skills

Language English

TOEIC (L&R): 665 point

Computer

Word, Excel, Powerpoint

Interests

I like music and read book.

A **Software Tester** with 6 years' experience, 1 year for app/web testing and 5 years specializing in the **automotive sector** and **Infotainment Systems** (AVN to Telematics). I'm proficient in the full testing lifecycle, from documentation review and **Test Case** creation/execution to meticulous bug logging and management across **Jira**, **Codebeamer**, **and Harmony**. With strong communication for global teams, a high tolerance for pressure, and knowledge of **SQL/Postman/web testing/app testing**,

Work experience
